பெண்கள் நாட்டின் கண்கள்

பெண்ணானவள்

மகளாக

தங்கையாக

தமக்கையாக

தோழியாக

மனைவியாக

அம்மாவாக

பாட்டியாக

பெண் என்பவள்

சமையலறையில் உணவுத்துறை அமைச்சராகவும் வரவு செலவு பார்ப்பதில் நிதி அமைச்சராகவும் குழந்தைகளின் படிப்பில் கல்வி அமைச்சராகவும் கணவனுக்கு சட்ட ஆலோசகராகவும் உறவுகளைக் கையாள்வதில்

வெளியுறவுத்துறை அமைச்சராகவும் மொத்தத்தில் பெண்கள் குடும்பத்தின் முதலமைச்சரானால் வாழ்வில் வசந்தம் தான் ... பெண்பிள்ளை பிறந்து விட்டால்

அவள் அங்கம் ஜொலிக்க

தங்கத்தில் முதலீடு செய்யாதீர்கள்

அவள் வம்சமே வலம் பெற

கல்விக்கான முதலீடு அமைத்திடுங்கள்.

எனக்குத் தெரிந்த நபர் ஒருவருக்கு கிராமத்தில் பெண் குழந்தை பிறந்தது அன்றே அவர் தேக்கு மரக்கன்று பத்தினை அவர் வீட்டின் பின்புறம் இருக்கும் இடத்தில் நட்டு வைத்தார்.

20 வருடங்கள் அது வளர்ந்து மிகப்பெரிய மரமாகி ஒவ்வொரு மரமும் ஒரு லட்சம் வீதம் 20 லட்சத்துக்கு விற்பனையானது அது அவருக்கு மிகப்பெரிய உதவியாக மாறி குழந்தையின் திருமணத்திற்கு அந்த மரம் கரம் கொடுத்தது.

மரம் வளர்த்தால் மழை பெறலாம் என்பது மட்டும் இல்லாமல் மண்வளமும் பெறலாம் ; பெண் வளமும் பெறலாம் என்பதற்கு இது ஒரு சான்றாகும்.

இப்படி பியூட்டிகளுடன் தான் நம் வாழ்க்கை பயணம் நகர்கிறது....

“மங்கையராய் பிறப்பதற்கே மாதவம் செய்திட வேண்டுமம்மா ” என்றார் கவிமணி தேசிய விநாயகம் பிள்ளை.

ஆம், ஆயிரம் கதவுகள் திறந்திடும்

உனக்கு எழுந்து வா. சிங்கப் பெண்ணே

சரியோ தவறோ வாழ்கின்ற ஒரு வாழ்வை

உனக்குப் பிடித்தபடி மனசாட்சியோடு வாழ் தீர்வுகள் சொல்ல

இங்கு யாரும் நல்லவர்களும் இல்லை

தீர்வுகள் கேட்க நீ கெட்டவனும் இல்லை

யாருக்கும் அஞ்சோம்

எதற்கும் அஞ்சோம்

எங்கும் அஞ்சோம்

எப்போதும் அஞ்சோம்

எனவே எண்ணிய முடிதல் வேண்டும், நல்லவை எண்ணல் வேண்டும்,

எந்த ஏற்றத்திற்கும் ஒரு இறக்கம் உண்டு. எந்த துன்பத்திற்கும் ஒரு

இறுதி உண்டு. எந்த முயற்சிக்கும் ஒரு பலன் உண்டு. ஆகவே

முயற்சிகள் தவறலாம் முயற்சிக்க தவறக் கூடாது.

என்பதை உணர்ந்து என் உயிரினும் மேலான கணவரின் வரிகள் தான் என் வாழ்க்கையின் அறமாக உள்ளது அரணாக உள்ளது.

முயன்றால் முடியாதது எதுவுமில்லை....

சிறுகை விரித்து பற, வானம் வசப்படும் உன்னிடம்....

திருமதி. கலைச்செல்வி லியோமுத்து

தொகுப்பாசிரியர்

TIMELESS ICON

HISTORY OF BATTLE BORN

“கல்வியே நிலையான செல்வம் ; அவை ஈட்டினால் உலகை வெல்ல முடியும்”. How Thiruvalluvar’s words perfectly encapsulates the corner stone of MJF LEO MUTHU’s success.

His successful career in “Real Estate” made him to introduce 75 housing schemes and industrial complexes across Chennai, Madurai, Hosur and Bangalore. He received a Prestigious award for “Best Real Estate Promoter” from the Governor Shri. B.N. Singh.

The famous quotes of Bharathiyar “கல்வி அறிவைத் தரும் ; அறிவு விழுமியத்தைத் தரும் ; விழுமியம் வாழ்வின் சுதந்திரத்தைத் தரும்” .

However, these lines serves as a shining example of his success.

The true greatness of his success is not just his business acumen but his contribution to education.

The foundation of excellence was laid at Sai Matriculation Higher Secondary School with 137 students, on 14th June 1989.

Now, Sai Matriculation Higher Sec. School has flourished as a mighty banyan tree, extending its branches far and wide growing into a network of 19 esteemed educational institutions including engineering to medicine.

His greatness was not inherited but built through relentless effort and dedication.

His generosity in providing learning opportunity ensures his legacy continues, reflecting the everlasting impact of giving.....

“Great people are not born; they are made;”

To be continued....

learning

knowledge, success, intelligence, wisdom

Environmental science : Climate change

Technology learning : Photoshop, Coraldraw and Movie making

AFTER SCHOOL ACTIVITIES

Mon : Tutoring 6th to 9th std

Wed : Drums class

Thur & Fri : Scouts & Guides training

- * TIME TO TRAVEL
- * EXHIBITION
- * House Competitions

New Year's Message

Dear Students,

As we step into the New year lets ignite "Love for Reading". Reading has always been a vital tool for the world's most influential personalities.

Bhagat Singh, a revolutionary icon, is a powerful example of how 'Reading' shaped his thoughts and actions. Even in the face of death, Bhagat Singh, continued to immerse himself in 'Reading'.

Reading books proves that knowledge have served as tools of empowerment and enlightenment. For many great leaders 'Reading' was not just to gain knowledge but a means of challenge the status quo and inspire change. Throughout history, many great

personalities have shown how deeply reading can influence their lives, even in moments of personal crisis, one such instance is that of Anna Durai, inspirational political intellectual leader, postponed his surgery to next day, so that he could finish reading a book. This act highlighted his deep love for reading even in the face personal health challenges.

Jawaharlal Nehru, India's first prime minister another exemplary example for 'Reading', He was a man of great intellectual curiosity always seeking knowledge even in the midst of his busy travels. In his every journey, he used as an opportunity to read books.

Where the road takes him, book follows. His dedication to learn, is a remainder of the power of 'Reading' to shape minds and broaden the perspectives "No Matter where he is.

Across the ages, countless great personalities have dedicated significant time for reading, As we reflect on their life, we see that reading is not just an activity, but a tool that enriches lives.

Remember always "Reading reigns supreme". In this wider world, Leonardo paintings and Beethoven's symphonies may considered as a masterpiece, but Kamban's poetry, Bharathiyar's lyrics and poignant verses of Kannadesan, flowery words of Shakespeare proves that true empowerment lies only in the written works.

Read every day, explore new worlds, and discover new friends'.

Make reading a habit and watch your dreams take flight.

Prosperous BonneAnnee.

VICE PRINCIPALS' MESSAGE...

छात्रों को आगे बढ़ने का रहस्य

हमारे स्कूल के पूर्व निर्माता एवं अध्यक्ष महोदय श्रीमान लियो मुत्तु जी ने कहा है – कठिन परिश्रम करें तो असंभव कुछ नहीं है ।

छात्रों को आगे बढ़ने का रहस्य सिर्फ परिश्रम ही है । विद्यार्थियों के जीवन में ईमानदारी सच्चाई होशियारी ये तीनों आगे बढ़ने का रहस्य है । छात्रों को सिर्फ शारीरिक एवं मानसिक शक्ति से मात्र काम लेना काफी नहीं है, बल्कि अपनी बुद्धि का सही प्रयोग करना अत्यंत आवश्यक है ।

उन्हें सैद्धांतिक ज्ञान एवं प्रायोगिक ज्ञान की आवश्यकता है क्योंकि दोनों उन्हें आगे बढ़ने का रहस्य है । छात्रों के जीवन में आत्मविश्वास, स्वावलंबन, स्वाभिमान होना चाहिए कि ये सब उन्हें आगे बढ़ने, का मार्ग है । बच्चे दूसरों के प्रति घृणा की भावना को त्याग कर प्रेम का भाव अपनाएँगे तो उन्हें आगे बढ़ने में सहायता देंगे, क्योंकि जहाँ प्रेम है वहाँ भगवान है । परमात्मा ही प्रेम का सहायक है । भगवान की कृपा से ही हमारा जीवन सफल बनता है ।

छात्र जितना भी पढ़े, जितना भी बुद्धिमान बने, जितना भी परिश्रम करें पर अनुशासन का पालन नहीं करें तो आगे बढ़ नहीं सकते क्योंकि अनुशासन ही सचचरित्र का निर्माण करता है । सचचरित्रवान छात्र ही समाज में सच्चा नागरिक कहलाता है । किसी भी विद्यार्थी को यह मत सोचना चाहिए कि मैं कमजोर हूँ पर यह सोचना चाहिए कि मैं यह काम पूरा कर सकता हूँ ।

सबके मन में यह विचार होना चाहिए कि मैं भविष्य में एक डॉक्टर बनूँगा इंजीनियर बनूँगा आईएएस अफसर बनूँगा क्यों नमैं भारत के प्रधानमंत्री बनूँगा ।

दूसरों से मदद नहीं माँगना, अपने आप पर निर्भर रहना, आलस्य को त्याग कर चुस्त से काम करना जीवन में आगे बढ़ने का रहस्य है । छात्रों के मन में आगे बढ़ने की इच्छा हो तो उन्हें लक्ष्य और उद्देश्य होना चाहिए । अपने लक्ष्य एवं उद्देश्य की पूर्ति के लिए परिश्रम करना अत्यंत आवश्यक है ।

हमारे संस्थापक एवं अध्यक्ष महोदय के कहे अनुसार छात्रोंको आगे बढ़ने का रहस्य परिश्रम ही है , याने परिश्रम करें तो असंभव कुछ नहीं है ।

N. CHARLES,
Vice Principal

LOVE WITHOUT LIMITS

Grace, Peace, Joy...

Our school celebrated Christmas with festive cheer and joy.

The air was filled with spirit of the season, students participated in carol singing. Holy Manger and Christmas tree was decorated with bells and wreaths. The students performed Christmas carols like "Silent Night – a peaceful melody, jingle bells - fun and energetic songs.

The highlight of the Christmas was Santa Claus, who delighted the students with dance and gifts.

The event fostered a sense of community and goodwill among students and staff, reminding everyone of the true meaning of Christmas.

Christmas celebration in Pre-Primary -

The pre-primary section of our school was filled with joy and festive cheer as the little ones celebrated Christmas with great enthusiasm, dressed in their adorable Santa Claus costumes. The kids looked like tiny Santa, dressed in red with white beards, and jingling bells.

The kids were happy and smiling. It was a truly magical day, filled with fun and laughter. Little Santa learnt the spirit of giving and Cherish love forever.

The day ended with a cheerful message from Santa, encouraging everyone to be kind and spread happiness everywhere.

Love, Endow, Bestow... Where Love Resides...

“ANNAIKKUM KARANGAL” Where Love Resides. The spirit of Christmas came alive as our Principal organized a heart warming celebration in “ANNAIKKUM KARANGAL” on 23rd December 2024. Students and teachers collaborated to bring joy and cheer to the orphanage children. This celebrations created a memorable day filled with love and laughter.

FROM CHALK TO CLICK

Fun, Fascinate, Focus...

LITTLE ARTISTS EXPLORE PAINTS

Mrs. R. SUDHARSANA enthusiastically teaching I STD students in smart board class students embarked on a vibrant digital art adventure. Using the Smart Board, the students explored the exciting world of Microsoft paint.

With eager hands, the students learn to draw, color and create simple shapes experimenting with various brushes, colours and the eraser.

This engaging experience not only fostered creativity and artistic expression but also introduced them to basic computer skills in a fun and interactive manner.

Witnessing the excitement as they brought their artistic visions to life was truly heart warming.

STUDENTS CORNER

We are proud and delighted that 16 Students of XII STD have successfully completed certification courses in DATA SCIENCE and ARTIFICIAL INTELLIGENCE.

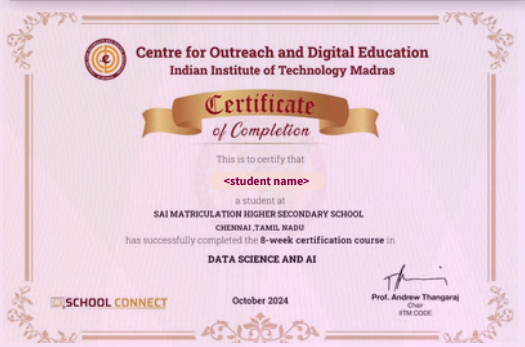

They received an eight week course completion certificate from IIT MADRAS.

(Through school connect program) This achievement highlights their dedication to explore cutting-edge technologies and their commitment to academic excellence. This prestigious certificate received by our enthusiastic students as follows:

AKSHAYA N
AKSHITHA SREE .P
ARSHIYA AAFRIN I
BHAVADARSHINI N
D.TEJESVINI

DIVYASHREE . A
HARI PRIYA A
LOSHINI. S
M. KAVYA
N.S DEVA DARSHINI

PAVITHRA.P
S.YUVASRI
SHAKKTHI PRIYAA
MADHAV R
MAHESHKUMARR.V
GURU VISHNU.K

LOGIQIDS COMPETITIONS

The Log IQIDs test was conducted for students aiming to assess and develop their logical reasoning pattern recognition, and problem solving skills.

Our biology students of 12th std, got third prize and cash award of Rs 1000/- in the Model Making Competition conducted by Ethiraj college for women. (Replica 24 - 25 presents BIOSAVYY)

DESIGN for LIFE

Life is an opportunity, benefit from it,
Life is beauty, admire it ;
Life is a dream , realize it
Life is a challenge, meet it ;
Life is a duty, complete it,
Life is a game, play it;
Life is a promise, fulfill it,
Life is a sorrow, overcome it;
Life is a struggle, accept it,
Life is a tragedy, confront it,
Life is an adventure, dare it;
Life is luck, make it,
Life is too precious, do not destroy it;
Life is to live, fight for it.

THE CELEBRATION OF NEW YEAR

In 1582, Pope Gregory saw the Julian Calendar which had some problems so he created a new calendar name Gregorian Calendar. He referred it from the changing of seasons and the time Earth takes to make a round of the sun.

It was also set 1st January because it is the time when Earth goes closest to the sun called Perihelion. So, 1st January is celebrated as the New Year.

Creativity, Curiosity, Festivity

In our kindergarten, we believe that learning should be a joyful experience. We follow the Play Way Method, an innovative approach that combines playing and learning.

The Play Way Method is a child-centered approach that encourages children to learn through play. It's based on the idea that children learn the best when they're engaged, active, and having fun.
