PEOPLE + PROCESS + PURPOSE = SUCCESS

At Sairam, we realize that the higher education sector is under significant pressure to adapt to the changing needs of the future. Institutions need to become more operationally efficient and effective, improve student outcomes, increase access to higher education, recruit and retain top faculty and researchers, and more.

Effective transformation in these areas requires an organization-wide strategic approach that seeks to improve and enhance organizational models, operating processes, technology, leadership, and talent models. We have adopted a 3Ps model of aligning People, Process and Purpose with the vision of the organization.

and
Chairman & CEO, Sairam Institutions

was honoured by

Dr. Krishana Kumar Khandelwal, IAS,
Chief National Commissioner, Bharat Scouts and Guides

in recognition of their outstanding contribution
to the Scouts for SDG - Global Development Villages
at the Special Jamboree

FROM PRINCIPAL'S DESK

"Education purpose is to replace an empty mind with an open one."

Keeping the above quote in mind, Sairam Vidyalaya started in 2800 Sq.ft. with 144 students in the year 2010. Our "Sairam Vidyalaya Sr. Sec. Now we are happy to share with you that our school campus boasts a vast area of 60,000 square feet with a build-up area of 42,145 square feet with 1500 students. This expansive space includes a spacious playground that caters to a wide range of sports activities, including archery, softball, throwball and more.

Ensuring the safety and security of our students is of paramount importance to us, to this end, we have installed a comprehensive surveillance system comprising 160 cameras, covering all classrooms and the entire school campus.

Incorporating technology into education is another area where we excel. We are proud to have 50 smart classrooms with high speed internet which enhance the teaching and learning experience for both students and teachers alike. These smart boards facilitate interactive and engaging lessons, making education more dynamic.

To support various academic pursuits, we have 100 well spacious air conditioned classrooms, a spacious student friendly library housing nearly 10,000 books encompassing fiction, novels and reference materials for all subjects.

Additionally, we have dedicated laboratories for physics, chemistry, biology, robotics and mathematics, providing hands-on learning experiences that foster curiosity and innovation.

The health and wellbeing of our students are also of utmost importance. We provide clean and safe drinking water through our own RO Plant, ensuring that our students have access to high quality water throughout the day. Moreover, to address any power supply issues, we have a continuous electricity supply system, including a genset.

In our School, we are dedicated to providing our children with a nurturing and enriching educational environment that supports their holistic development. We take pride in our state of the art facilities, and we are committed to maintaining high standards of education and safety.

We are an ISO certified Institution from 2015 and affiliated to CBSE.

FACILITIES

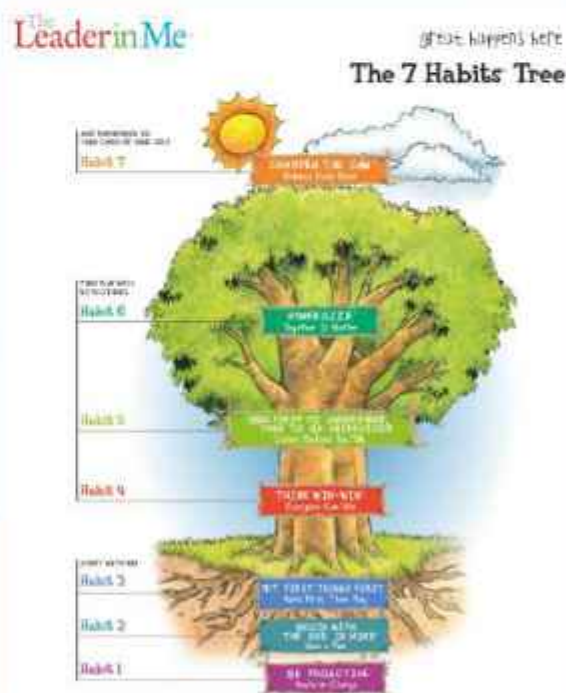

- ☞ Air Conditioned Smart Board Technology is utilized to aid and support teaching and to enhance learning.
- ☞ RO plants have been installed in the campus in order to facilitate drinking water facility for the students and staff.
- ☞ We have CCTV cameras in different places for safety security purpose
- ☞ Adequate fire safety measures have been fitted in the school premises
- ☞ Well maintained Clean and hygienic toilets separately for Boys & Girls from PKG classes

EXTRA ACTIVITIES

7 HABITS AND SDG

“Genius Is One Percent Inspiration And Ninety Nine Percent Perspiration.”

In order to make our Sairam students a genius in all aspects we, not only focus on the Academics but also focus on various co-curricular activities such as 7 habits and SDG implementation. The 7 habits are key to success for people in all walks of life. In order to bring Leadership Qualities among students each student is given responsibility such as class monitors, subject monitors, line monitors, spoken English monitors etc. and emotional bank accounts are created to encourage mental stability and appropriate counselling is given by school counsellor to students, parents as well as teachers. Regular activities are conducted to enhance the same. The 7 habits are incorporated with the curriculum books from Grade UKG to IX. In each subject minimum one of the 7 habits is incorporated and students are able to correlate the chapter. Special workshop on 7 habits was conducted by DR.KANNAN GIRISH on 2nd and 3rd May 2024. Separate file was given to each and every student from UKG to Grade IX in order to maintain the Student Mission, Class Mission and activities based on the 7 Habits direct lessons. To instill the basics of 7 habits and nurture the younger ones from the age group of 4, our school has given a very good platform by inculcating 7 habits into the curriculum.

SUSTAINABLE DEVELOPMENT GOALS (SDG)

The main aim of Sustainable Development Goals (SDGs) is TO TRANSFORM OUR WORLD. We at Sairam Vidyalaya call to action to end poverty and inequality, protect the Planet, and ensure that all people enjoy health, justice and prosperity through the 17 goals.

- * In order to develop the needs of the present without compromising the ability of future generations to meet their own needs, we involve our students in various activities.
- * We have included SDG into our curriculum from **Grade I to Grade IX**.
- * Sustainability classes and events have been conducted frequently in the way of joy of learning.
- * Health Education programs were conducted to our students through our school counsellor and staff nurse.
- * Students have stopped tearing papers from their notebooks in order to save natural resources.
- * Students started bringing various seeds for the seed bank.

- * Students donated saplings to school and to the society on their birthdays.
- * Students started checking the Electricity bill of their home from the previous month to the current month to check the saving of energy.
- * Students are encouraged to distribute food packets to the down and outer, distribution of groceries to the destitute. (Goals 1 & 2 - No Poverty & Zero Hunger).

Maintaining Sustainability by our toddlers based on Climate Change , Life on Land and Partnership for the Goals

Our children have developed a bond with nature watching a tree grow over time can bring them pride and a sense of achievement, highlighting the importance of protecting the environment.

CO-CURRICULAR ACTIVITIES (CCA)

- Our School includes Co-Curricular activities with academic curriculum so that students develop skills beyond knowledge of subjects. Co-Curricular activities also help to improve teaching techniques at school.
- Co-curricular activities play an essential part of school life and help in enhancing the learning process of students at school.
- Co-curricular activities are designed and balanced with academic curriculum so that every student gets to learn beyond their subjects.
- Co-curricular activities are meant to bring social skills, emotional and intellectual skills, moral values, personality progress and character appeal in students.

CLUBS

Club Activities cater to each co-curricular area in a purposeful and structured manner to provide children with opportunities to channelize and build on their interest and creative competencies as well as to develop the right set of values and attributes.

CLUB ACTIVITIES ARE CONDUCTED FOR VARIOUS SUBJECTS IN ALL THE LEVELS.

English Club: To improve one's mastery over the language, play skits and dramas from famous literary works, and improve Grammar, releasing E-newsletter every month by the student's creative contribution and achievements.

Objective: To focus special attention in the Language skills (LSRW) and to develop basics in grammar and vocabulary

Incharge: Ms.P.Krithika, Ms.R.Radhika, Ms.T.Gayathri, V.Aishwarya

Math Club: Develops mathematical skills and introduces a creative way of cracking tricky mathematical problems. Motivate the students to solve math puzzles through math corner every week.

Objective: To explore students' potential mathematical solutions and to create a supportive learning environment.

Incharge: N.G.Sowgandhika Janakam, Ms.M.Janani, Ms.S.Shalini

Science Club: (Young Scientists Club) Inculcates scientific approach and delivers opportunities to develop an interest in projects to train students in techniques of innovation and creativity. Inspires students to explore science, develop scientific thinking and learn about science applications.

Objective : To inspire Students to explore science, develop scientific thinking and learn about science applications.

Incharge: Ms.S.Nalini

Tamil Club : Serves as a platform for the students for enriching their talents in the three components of the Tamil language "Iyal, Isai, and Nadagam, encouraging our students to participate in various competitions in Tamil.

Objective: To make students learn the mother tongue with all its importance in tamil literature.

School Band:

Our band members enjoy and wear their band uniform with pride and joy! The band is led by the band master holding a large baton. It leads the march past during Annual Sports and performs at other important functions of the school.

Taking part in marching band, concert band, jazz band, small ensembles, and solo experiences are excellent opportunities that provide students with the life enriching experience of making music.

Furthermore, through the band program, students will gain a sense of belonging, teamwork, time management, dedication, self-discipline, leadership, cooperation, and responsibility.

Band helps students learn:

- Respect for authority as opposed to fear of domination.
- An understanding of quality as well as the rewards of quantity.
- A working wisdom as well as a solid transcript of achievement.
- Behaviour based on ethics as well as the importance of obeying the rules.
- An ongoing development of inner peace as well as a workable plan for personal security.

ROBOTICS

Robotics for students is a compendium of different disciplines that provides children with knowledge related to Science, Technology, Engineering, and Mathematics. Transmitting this range of expertise to them in a transversal and fun way facilitates the development of logical thinking while stimulating their creativity and becoming familiar with the operation of programmable objects with which they are already in daily contact.

FOUNDATION FOR ALL COMPETITIVE EXAM (FACE)

FACE [Foundation for All Competitive Exams] is a training course started in the year June 2022 in order to train students of SAIRAM VIDYALAYA, MADIPAKKAM. For the competitive exams at various levels. The training classes are conducted for the students of classes I to VIII and motivate the children to take part in the competitive exams like Olympiad exams organized by various educational companies.

The Olympiads are held on a National & International scale and promote competitions among students in related academic fields or grade levels. This enables students to compare their knowledge and awareness of a subject to that of their rivals while also fostering a competitive spirit.

The educational companies which has been tied up with SAIRAM VIDYALAYA, MADIPAKKAM to promote students for various levels are:

- Science Olympiad Foundation (SOF)
- Silver zone Olympiad Foundation
- International Olympiad Foundation (IOF)
- Green Olympiad

Co-ordinator: Ms. Jayanthi

SCIENCE OLYMPIAD FOUNDATION (SOF):

Science Olympiad Foundation is an educational foundation that promotes Mathematics, Science, General knowledge, introductory computer education & English language skills among school children.

Sairam Vidyalaya students participates in this Olympiad Foundation exams and won various prize like GOLD, SLIVER, BRONZE both in zonal level and school level in

1. IMO (International Mathematics Olympiad)
2. NSO (National Science Olympiad)
3. NCO (National Cyber Olympiad)
4. IEO (International English Olympiad)
5. IGKO (International General Knowledge Olympiad)
6. ISSO (International Social Science Olympiad)

IIT, NEET AND JEE COACHING

Sairam Vidyalaya pioneer in imparting quality education is proud to announce that we provide effective coaching for NEET & IIT JEE, which provides coaching similar to coaching centres with highly experienced faculties.

The salient features of our faculties are that they teach the concepts in depth to lay a strong foundation, followed by effective coaching to prepare the students to take up the examination.

Model Tests are Conducted Weekly once. We feel proud that we have placed students in top rankings both in JEE and NEET.

SERVICE SECTOR IN OUR SCHOOL

NCC

We inaugurated the National Cadet Corps (NCC) at SAIRAM VIDYALAYA, MADIPAKKAM with 25 enthusiastic cadets, currently 47 on board! The inaugural ceremony took place in our school campus on 11th October 2022. We honoured to have esteemed guests, Mr. R C BARTHWAL S M -officer commanding, Chief Innovation Officer (CIO) and Mr.C. Mayilvahanan-the Senior Principal of the school, Mr.A.Anandharaj - Caretaker, graced the occasion.

NCC Combine Annual Training Camp (CATC), 2024

Camp Experience

The (TN) BTY NCC organized a Combined Annual Training Camp for NCC cadets from 5th to 14th July 2024 at Sri Sairam Engineering College, West Tambaram. The camp saw the participation of 285 cadets from 5 colleges and 12 schools. The cadets engaged in a range of activities and learned valuable skills, including basic drill techniques, weapons operations, rifle firing, and much more. The camp also provided insights into the NCC lifestyle, emphasizing discipline, teamwork, self-confidence, leadership, organization, flexibility, and effective management.

The 10-day camp included a variety of productive activities, including sports, physical training (PT), classes by guest lecturers, and drill practices, despite challenging weather conditions. Though some events were impacted by unpredictable weather, the camp was a highly rewarding experience for all participants. We look forward to more active participation in future well-organized camps.

CAMP ACTIVITIES

R. Krithik of Class 9 'D' was awarded the title of Best Cadet Appointment (RP Sergeant).

B. Santhosh of Class 9 'A' secured 2nd place in the 400-meter running competition among various schools

NCC: 76th NCC DAY CELEBRATIONS DRUG AWARENESS RALLY- 2024

VENUE: SAIRAM VIDYALAYA SCHOOL

DATE: 14 Nov 2024

1 (TN) BTY NCC CHENNAI 'A' (ARMY WING)

In celebration of the 76th NCC Day on November 14, 2024, the dedicated NCC cadets of Sairam Vidyalaya, supported by our Senior Principal, organized a Drug Awareness Rally themed "Say No to Drugs." Held near the school vicinity at 7:30 a.m., this initiative aimed to address the pressing issue of drug addiction among youth. Approximately 34 cadets, along with one ANO and one PI staff member, took part in the rally.

The event served as a powerful platform for raising awareness about the dangers of substance abuse, especially among young people. With banners, slogans, and determined voices calling for a drug-free society, the cadets conveyed a strong message about the risks associated with addiction and promoted healthier, drug-free lifestyles.

This rally not only demonstrated the NCC's commitment to a healthier society but also instilled values of discipline and social responsibility among its cadets. By engaging in this important cause, the cadets exemplified the power of collective action in addressing social issues and served as positive role models for their peers.

The rally was met with great support from the community, highlighting the need for greater awareness and prevention of drug addiction. I extend my heartfelt gratitude to our OC, Colonel Viswanathan R, for providing this invaluable opportunity to organize such a meaningful event.

ROAD SAFETY PATROL (RSP)

The main objective of the Road Safety Patrol (RSP) is to inculcate in the students the importance of following road safety rules, discipline and to teach them to regulate traffic in the school campus.

From our school 21 students along with PET staff Mr.P.Ramaraj went to visit RSP Traffic park in Marina Beach on 08/07/2024. Our school students have learned about traffic rules and sign boards and how to walk in the road, how to cross the pedestrian cross, and how to clear traffic in our school area. Students received sign board notices from Tamilnadu police traffic warden organization.

On 28th November 2024, Mr. P. Ramaraj, a Road Safety Patrol (RSP) teacher, and S. Sharvesh from Class XI-C attended the Road Safety Capacity Building Workshop organized by CoERS at IIT Madras.

The workshop is aimed to educate and train Master Trainers from schools on various aspects of road safety. Topics covered included road safety rules and regulations, the importance of traffic signboards, safety equipment, and the significance of marking lines on roads. In addition, students engaged in activities like drawing, chart work, and drama to better understand and promote road safety.

The session also highlighted the importance of creating awareness among students from VI to XI standards, with a special focus on reducing accidents on the road. The workshop provided valuable knowledge to the attendees, equipping them with the necessary tools to implement road safety practices in their respective schools.

SCOUTS AND GUIDES

Co-ordinator: Dr. Meena Rajan

Classes: VI to IX

It is a health giving camp conducted by The Bharat Scouts and Guides club concentrating on the health of parents, students and teachers. This health awareness camp is really beneficial and serviceable for all.

On April 6th 2024, on behalf of the World Health Day and Founder's Day we were conducting various programmes in our school campus. We were conducting a medical camp by Sri Sairam Siddha medical College, Healthy Food Expo by class 6th and 7th standard children and "My Health My Right" quiz competition for class 8 and 9.

The programme started at 9.30 AM

AIM AND OBJECTIVES:

- To create awareness about our traditional method of systems.
- To create awareness and health benefits of healthy food habits.
- To create awareness about the World Health Organisation.

PARTICIPATION:

MEDICAL CAMP: For conducting medical camp from The Sairam Siddha Medical College 29 Siddha doctors and training doctors have done their service to the people by examining the patients .- Height, Weight, Blood Pressure, Sugar Test, ECG etc. More than 100 people benefited from this camp. More than 50 Sairam Institution Staff also benefited.

HEALTHY FOOD EXPO: It was made successfully by class 6th and 7 the children. They gave awareness to the people about healthy food habits, importance of millets in our diet and easy recipes. 80 children participated in the Healthy Food Expo. The doctors tasted and appreciated the students and food.

MY HEALTH MY RIGHT QUIZ: To create awareness about WORLD HEALTH ORGANISATION we were conducting Quiz competition for class 8 and 9 . We were conducting at three levels. 240 children participated in this competition.

VOLUNTEERS: For all these programmes 14 The Scouts and Guides their volunteer work greatly by helping to register the patients, helping the doctors, for arranging the health expo, and conducting Quiz competition.

CONCLUSION: All the three programmes ended at 3.00pm successfully. Senior Principal Sir was honoured the doctors with shawl and The Scouts and Guides appreciated with certificates.

CUBS & BULBULS

Incharge : Ms. Famitha, Ms. Pavithra Devi

Classes: III to V

Sairam Vidyalaya - Collaborating with The Bharat Scouts and Guides

CUBS AND BULBUL ACTIVITIES

Cubs and bulbul students and activities symbolize the nurturing of India's cultural heritage (Bharat Bulbul) and its future generation (Cubs). It could represent a vision of fostering growth, creativity, and strength in the country while appreciating its rich artistic or cultural values. In other specific contexts, "Bharat Bulbul" and "Cubs" could be associated with organizations, specific cultural programs, but they generally convey the themes of cultural pride, youth, and future potential. In the series of activities our students attended a two day camp titled "Patrol Leader Training Workshop" dated from 8/11/24 to 10/11/24 at Sairam Engineering College this camp was an incredibly enriching experience for all of the students. The camp was expertly organized, and the trainers were knowledgeable and enthusiastic.

The students learned a wide range of skills, including:

- B.P 6 exercise
- Flag Procedure: flag breaking, lowering, folding, and storage
- Formation of Patrols
- Basic Knots: tent pitching and flag pole creation
- Backwoodsman Cooking: food safety, hygiene, and cooking techniques
- How to develop communication skills.

One Day Training Camp

Receiving the Chief Guest's

Activity by our Students

Active Participants

students have exhibited their eagerness to learn and their willingness to step out of their comfort zones. The camp has boosted their confidence, enhanced their leadership skills, and prepared them to take on new challenges. Overall, the Patrol Leader Training Camp was a resounding success.

BUNNY CLUB ANNUAL CAMP

Co-ordinator: Ms. G. Padhmapriya, Ms. R. Lakshmimala, Ms. S. Aishwarya

Classes: UKG, I & II

Date: 04.01.2025

The Annual Bunny Club was held at Sairam School. The camp aimed to enhance the creativity of the students, communication skills, promote environmental awareness and develop leadership qualities.

Activities

OBSERVATION:

1. Students were enthusiastic and actively participated in all activities. The students brought the various seeds and make clay balls. They seeded the seeds in the clay balls.
2. Using paper cups students crafted things.
3. The Students coloured the pictures which we provided.
4. The action songs the students sang with actions and gestures for healthy food habits.
5. Smelling and tasting the fruits and vegetables.
6. Making healthy food like Ragi laddoo, fruits salad and vegetables salad.
7. The games were conducted which were related to SDG.
8. Building the pyramid using paper cups in a given time.

OUTCOMES:

Through the camp the students improved skills, increased awareness, enhanced personal growth. They presented the food items and explained the nutritional values. Students developed leadership qualities such as teamwork. The camp fostered a positive and inclusive learning environment.

REFLECTION:

The bunny camp was a successful initiative that provided students with valuable learning experiences and opportunities for personal and social growth. The camp effectively achieved its objectives and left a lasting positive impact on the students.

To create awareness among the students regarding the importance of the standards and to prepare them in the standard's presentation of consumer products.

EVENT DESCRIPTION:

The Bureau of Indian Standards (BIS) has been formulating the standards club at schools, science colleges, engineering colleges and polytechnic colleges to promote standards in young minds and serve as a force multiplier that has the capacity to transform the future of a nation to ensure quality goods and services.

Accordingly, the BIS standards club at SAIRAM VIDYALAYA SR SEC SCHOOL (Madipakkam) in Chennai organized a STANDARDS PARLIAMENT ON STRATEGY TO IMPROVE THE FOOD SECURITY OF VULNERABLE POPULATIONS SDG 3 (Good Health and well being) for the students on 6th April 2024 in the presence of Mr. C Mayilvahanan (Sr. Principal) and S Manimegalai (Mentor) of the Standard club.

The club members of the standards club were ignited with the knowledge of Standard food security and the students actively participated in the standards parliament on strategy to improve the food security of vulnerable populations. This competition was evaluated and the best standard was selected for a cash prize.

STUDENTS' EDUCATION TRIP STUDENTS VISIT ON KALAINAR CENTENARY PARK

A step forward in academics, it is important to get knowledge from the wider world. Students from Grade 3 and 4 have been taken to KALAINAR CENTENARY PARK on 20.11.2024 and 21.11.2024.

The school outreach program to the park was a highly engaging and enriching experience for all the students involved. It provided a great opportunity for hands-on learning in a natural environment, allowing students to explore and appreciate the beauty of nature while learning about biodiversity, conservation, and environmental sustainability.

The activities were both educational and enjoyable, fostering teamwork and creativity among students. It was a perfect blend of outdoor exploration and practical learning. The students were able to connect with the environment in a meaningful way, and the outing also encouraged a sense of responsibility towards nature.

Overall, the program was well-organized, informative, and memorable. It was an excellent initiative that enhanced students' awareness about the importance of nature conservation and the environment. We look forward to similar future initiatives.

OUR BEST TEACHER AWARDS

HINDI DEPARTMENT

To enhance teachers' teaching in the dynamic world of education, our teachers have been sent to attend seminars, training and orientation programmes.

On October 25, 2024 Hindi faculties V. Sangeetha and Sradhanjali Das from our institution attended a Workshop on "Hindi Language Teaching – Challenges and Solutions" organized under Bharati Bhawan (P&D) at Porur. The spokesperson was Mrs. Usha Chhabra (Educationist and Author) on the topic New methods of teaching the Hindi language.

ENGLISH DEPARTMENT

Workshop conducted by Orient Black Swan on 29.10.2024

The workshop was organized by Orient Black Swan Publications, titled BRINGING GRAMMAR TO LIFE WITH EXPERIENTIAL LEARNING on 26 October 2024 (Saturday) at The Savera Hotel, Mylapore. The Programme hosts were the Orient Black Swan publication heads and Ms.Himaal Handoo, the CBSE teachers' awardee.

It is specially designed to help educators implement the ideas and teaching methods. Aiming on the best teaching practice and learning outcome in grammar teaching, the educators were imparted with good grammar training which will absolutely benefit the students. The workshop started with an overview of the NEP / NCF curriculum and its emphasis on holistic education especially focussed on language learning.

Academic Awards and Honours for Teachers:

The best teacher inspire hope, ignite the imagination and instill a love of learning

- SAIRAM VIDYALAYA feel elated to inform that our school has been selected for GLOBAL SCHOOL AWARD (2023) under the category "BEST IN ACADEMIC EXCELLENCE" (by AKS Global Awards Pvt.Ltd.).
- More than 600 schools from 30 countries have nominated and we are proud to get this Global School Award on the 4 th Nov. 2023 at New Delhi.

Our Best Teacher Awards

- Ms. P. Vanishree has received from Vels University Pallavaram, 24.08.2024 for Department of Commerce
- Ms. R. Srividhya has received from Vels University Pallavaram, 24.08.2024 for Department of Science
- Ms. G. M. Jalaja Devi has received Sudhir Kumar Surana Award at Jain Public School, Thirumudivakkam on 05.09.2024.
- Ms. N. G. Sowgandhika Janakam has received Sudhir Kumar Surana Award at Jain Public School, Thirumudivakkam on 05.09.2024

Communication Development Practices at Our School

To enhance communication skills among students, our school has implemented a series of innovative and structured activities. Below is a detailed report of the initiatives undertaken:

1. ROLLER ASSEMBLY BY STUDENTS:

Students conduct assemblies on a rotational basis, encouraging public speaking and teamwork.

2. BOOK REVIEWS:

Students who borrow books from the library will give a book review in the assembly which helps them develop analytical thinking and presentation skills.

3. THIRUKKURAL RECITATION WITH MEANING:

Delivering Thirukkural couplets with their meanings promotes cultural awareness and linguistic skills.

4. SIGNIFICANCE SHARING:

Students share the significance of the day, week, or month during assemblies, fostering research and articulation abilities.

5. NEWSPAPER READING ACTIVITIES:

Regular vocabulary enhancement sessions are conducted through newspaper reading and discussions.

6. LESSON ENACTMENTS:

Students enact scenes or themes from lessons, helping them improve expression, comprehension, and vocabulary.

7. ENGLISH CLUB ACTIVITIES:

The English Club conducts applied grammar sessions, making learning interactive and practical.

8. NICE EDUCATION PROGRAM:

A special initiative by the management ensures communication skills are accessible to all through professional guidance.

9. WEEKLY ACTIVITIES:

Diverse activities are organized every week to sustain interest and engagement among students.

10. READATHON AND QUIZ PROGRAMS:

Readathons, quizzes, and activity-based classes foster enthusiasm and a competitive spirit.

11. RECOGNITION OF ACHIEVEMENTS:

Winners of competitions are rewarded with trophies, medals, and certificates during assemblies, boosting confidence and motivation.

12. "A DAY A WORD" INITIATIVE:

A board displaying a new word daily helps students expand their vocabulary effectively.

13. PARTICIPATION IN EXTERNAL COMPETITIONS:

Students are encouraged to participate in inter-school competitions, gaining exposure and practical communication experience.

14. PICTURE STORY NARRATION:

Activities involving narrating stories based on picture sequences improve imagination and coherence in storytelling.

15. GOOGLE CLASSROOM

COMMUNICATION PLATFORM:

The school leverages Google Classroom to facilitate collaborative learning, enabling students to practice communication digitally.

16. STAR OF THE WEEK / MONTH:

Certificate and prizes will be awarded to the students who converse in English with everyone in and out of the Classroom and their photos have been displayed in the notice board that will encourage and inspire other students.

17. TRAINING PROGRAM FOR TEACHERS:

Special communication development programs for the teachers are conducted by the NICE EDUCATION staff to sharpen the saw of our campus language.

18. RISE TO THE OCCASION:

It is from the department of the library. Our students have clinched the challenging event, the competition of writing books conducted by the BRIBOOKS event National Young Authors' Fair India. This is exclusively conducted for the YOUNG WRITERS FOR YOUNG READERS.

19. COLORFUL FEATHERS ON THE CAP:

It is a happy moment to share the victory of our young writers into young authors whose books got recognized and published. In the years 2022-23 and 2023-24, 25 books were published and in the current academic year 2024- 25 10 books have been published till date.

20. STORY TELLING COMPETITION:

To exhibit students' creativity, confidence, and art of delivering, our school is organizing a Storytelling Competition where the four aspects of communication are well developed.

21. TRIUMPH TOWER:

In the year 2021-22, 106 students won the prizes among 120 participants. In the year 2022-23, 23 students won in the competition (overall standard wise) among 90 participants. In the year 2023-24, 30 students won 99 participants. This stunning performance of the competition of this academic year 2024- 25 is in the process.

22. ESSAY WRITING COMPETITION:

Students participated in the essay writing competition, conducted by the TCS groups under the event TATA BUILDING INDIA." 138 students participated and 6 students won the medals and certificates for their best performance, another milestone in the path of communication enhancement.

These efforts collectively ensure a comprehensive development of students' communication skills, making them confident and effective communicators. Regular monitoring and feedback mechanisms will further strengthen these initiatives.

FROM THE DEPARTMENT OF TAMIL

- To give the prime importance to our mother tongue, our students have participated in various competitions held under the Tamil department.
 - An INTER SCHOOL COMPETITION competition conducted by SIVANEYAPERAVI-2024 to motivate and enrich the students with creativity in writing skills and fine arts
1. Arul Karthikeyan V- VIII-B (Essay Writing Competition)- 1st Prize

PATTAM QUIZ WINNERS FROM "DINAMALAR"

The famous daily "Dinamalar" has conducted an Intra School Quiz Competition. In that competition 16 of our school students got selected for the 1st Level.

First Prize: Sahana and G. Janvee of VIII -D

Second Prize: R.Madhav of V-B and K.Hithesh of V-A

Third Prize: V.P.Arul Mozhi Simman of VI-C and K.Karunya Lakshmi of VIII-A

Fourth Prize: A.Pradhanya of VII-B and Tejaswini Sri Ramkumar of VII-C

Fifth Prize: K.V.Akshaya Vivekha and R.Harsha Lakshmi of VIII-C

Sixth Prize: K. Varunesh Sai and Ram Saran of VI-D

Seventh Prize: S.V.Haren and S.V.Sailesh of VI-C

Eighth Prize: R.Rakshitha of V-A and B.SriRaam Koushik of V-B

FROM THE DEPARTMENT OF HINDI

Our school takes great pride in sharing that our students are given special training to appear for DAKSHIN BHARAT HINDI PRACHAR SABHA exams by our school Hindi faculties and have made them get through the exams (Parichaya, Prathmic and Madhyama).

FROM THE DEPARTMENT OF LIBRARY

YOUNG AND BUDDING AUTHORS AT SAIRAM VIDYALAYA

Our Sairam school has conducted the young story writers competition titled "NATIONAL YOUNG AUTHORS' FAIR, INDIA" organised by BRI-BOOKS. The students' creativity, imagination, and ability to weave captivating narratives are truly inspiring. Through their words, they have shown an incredible ability to explore different worlds, characters, and emotions, often reflecting their unique perspectives and experiences.

It's heartening to see such young minds engaging in the art of storytelling, showcasing not only their writing talent but also their critical thinking and creativity. Their work demonstrates the power of language and how it can bring ideas to life, evoke emotions, and spark conversations.

A story writing competition, titled "NATIONAL YOUNG AUTHORS' FAIR, INDIA". It is really a wonder that our school has participated as well as got selected for best stories. We are proud to list out year wise winners:

OUR STUDENTS RECEIVED SILVER STAR YOUNG AUTHOR CERTIFICATES BY BRIBOOKS

CONGRATULATIONS TO OUR SAIRAM VIDYALAYA CBSE SCHOOL JUNIOR AUTHORS!

We are proud to announce that 50 students from Sairam Vidyalaya have successfully published their books with Bribooks from 2022 to February 2025.

A special appreciation to:

Hitesh G. (V Std.) - Awarded the Silver Star Young Author Certificate on 18.01.2025 for his book The Timeless Journey.

Pranaviha Saravanakumar (VIII Std.) Awarded the Silver Star Young Author Certificate on 22.02.2025 for outstanding storybooks.

Congratulations to all our young authors! We wish them continued success in their literary journey.

Our Intra School Story writing & Telling Competition (2021-2025)

2021-2022	LKG -X	120	106
2022-2023	I -X	90	23
2023-2024	I -X	99	30
2024-2025	I -IX	105	27

Story Telling Competition winners 2024-25

Storytelling in schools serves a variety of important objectives that contribute to the holistic development of students. It enhances communication skills by helping students express themselves more effectively, while also expanding their vocabulary and improving their verbal articulation. Through storytelling, students are encouraged to use their creativity and imagination, allowing them to think innovatively and explore new ideas. Moreover, storytelling fosters emotional intelligence by exposing students to different characters and situations, helping them develop empathy and understand diverse perspectives. The practice also improves listening skills, as students need to pay attention to the details of the narrative. It strengthens memory and cognitive abilities as students recall plot points, characters, and lessons from the story. In addition, storytelling is an excellent tool for teaching moral values and life lessons, often helping students internalize important principles such as honesty, kindness, and perseverance. It also builds confidence, as students gain experience in public speaking and sharing their ideas with an audience. Furthermore, storytelling promotes cultural awareness, allowing students to explore different traditions, histories, and perspectives, thereby fostering respect for diversity. Ultimately, storytelling supports language development, critical thinking, and social interaction, making it a powerful and enriching educational experience.

LIBRARY CORNER: Appreciation for Our Engaged Students

We are excited to take a moment to recognize and appreciate the students who have been actively utilizing the library's resources. It's inspiring to see so many of OUR STUDENTS referring to books related to their subjects, diving deeper into your studies, and making the most of the materials available.

Students' dedication to seeking out knowledge and expanding their understanding is truly commendable, and we are thrilled to support you in your academic journey. The library is here to provide resources that complement your learning, and it's wonderful to see you taking full advantage of it.

A record has been created by the students in borrowing books from the library in August 2024. (No.of. books borrowed - 1051)

Thank you for being proactive learners and helping to create a vibrant, resourceful community.
Happy Reading

OUTREACH PROGRAMMES BY OUR SCHOOL

Outreach programs are initiatives designed to connect with and support communities or individuals who may lack access to resources, education, or opportunities. These programs aim to raise awareness, provide assistance, and create positive social impact by addressing specific needs whether through education, health services, or community development. Outreach programs strive to empower people, foster inclusion, and promote sustainable growth.

With that objective in mind our first and foremost outreach program is Biosphere reserve champion organised by UNESCO and USO aiming towards SUSTAINABLE DEVELOPMENT GOALS.

Program scheduled as Phase 1, Phase 2 and Phase 3

PHASE I

Step 1: WEBINAR SERIES

Tues - July 9; Wed - July 10; Thurs - July 11 2024 by UNESCO environmentalist

Step 2: COMMUNITY CLEAN UP DRIVE (27.7.24)

On July 27, 2024, student volunteers along with school service teams (NCC and Scouts and Guides) and teachers gathered at the school campus (SAIRAM VIDYALAYA SR. SEC SCHOOL, MADIPAKKAM) by 7:30 a.m., and we reached the lake area by 7:45 a.m. in a school van. We were surprised to find that a crowd had already gathered for the camp, including local municipal corporation staff, area counsellor J. Sherly Thomas, and members of the MSS Trust service team. The event was covered by Puthiyathalaimurai and 7 News channels.

The program began with a pledge to save the environment and a commitment to SDG goals. Members of the MSS Trust gave a speech about environmental issues and raised awareness among those present. We started with a rally, followed by the corporation staff cutting down extra branches from the trees.

The garbage inside the fence of the lake was collected by the school students. The branches and garbage were gathered by the students and disposed of in large dustbins provided for the cleanup. The unwanted branches were collected separately for composting by the corporation.

Step 3: AWARENESS CAMPAIGN (15.08.2024)

This event was collaborated with Independence Day. To create awareness among students and community members about proper garbage segregation is crucial. Educating people about the impact of our actions can encourage them to reduce plastic use, avoid littering, and consider future consequences.

Chief Guests:

Dr. B. Thanuja, Assistant professor, Sairam Engineering College

Ms. Shreya suraj, Environmentalist, founder of "ANYBODY CAN DRAW"

REPORT & LIST SUBMISSION

Date: August 16 - 26, 2024

In this program along with Principal Sir ,12 teachers and 80 students got e- certificate for participation in phase 1 program.

PHASE II

CAPTURING ENVIRONMENTAL CHALLENGES

Date : August 16 - September 10, 2024

Step 1 : SCRIPT SUBMISSION

Date: Saturday, August 31, 2024

USO and UNESCO invited Schools to submit the written scripts from interested students on environmental challenges in their community, emphasising pollution, waste management, and climate change. Three Students have been selected for the FINAL SCRIPT SUBMISSION from our school.

- Akshaya vivekha, VIII C
- Shahana, VII C
- Shazana, VII C

Step 2 : VIDEO SCRIPT SUBMISSION AND EVALUATION

USO and UNESCO to invite selected video scripts to move to Phase III. In this process Akshaya Vivekha from VIII C was selected for phase III

Phase III : Script-To-Video Showdown

It was an OFFLINE PRESENTATION to be held in USO house, New Delhi on November 12, 2024.

The top 10 selected students and their teachers have been invited to Delhi to present their videos in front of a PANEL OF JUDGES FROM USO AND UNESCO.

In this phase III offline presentation Akshaya Vivekha from VIII C was selected one among the 10 finalists from all over India. She has successfully completed this presentation as well as a question and answer session with judges.

It is really a proud moment that our school student has been selected one among the finalists and IT IS A MILESTONE IN SAIRAM VIDYALAYA RECORDS OF ACHIEVEMENTS.

FELICITATION CEREMONY. **Akshaya Vivekha from VIII C has won the first prize in the Biosphere Reserve Championship competition** organised by UNESCO and United School Organisation (USO) is a remarkable achievement. She received a Certificate of Excellence, a trophy, and a medal is a true testament to her hard work, dedication, and passion for environmental conservation. **Senior Principal and Ms.Nalini (Incharge of BRC) received Certificates of appreciation and a shield** in recognition of their support and guidance in the Biosphere Reserve Championship competition.

CELEBRATION WITH CELEBRITIES

Annual Sports Meet our school - 03.08.24.

On August 3, 2024, our school held its annual Sports Day, a fun-filled event that brought together students, teachers, and staff for a day of friendly competition and team spirit. The event took place on the school's main field, and students participated in various track and field events.

The day kicked off with an exciting opening ceremony, with the Chief Guests', Mr.Chandrasekaran and Mr.C.Binu Aquito, inspiring speech sharing their own experiences of how sports and games played a significant role in their lives. Then the SPORTS MEET was declared. Following that the school's sports teams marched proudly, showing off their banners and colors.

The atmosphere was electric, with students enthusiastically supporting their teammates. In addition to the sporting events, there were cheerleading performances and dance breaks, which added to the excitement.

At the end of the day, the RED team emerged victorious, winning the most points and taking home the coveted Sports Day Trophy. Although there was one winning team, the event was a success for everyone involved, fostering a sense of unity and school pride.

In conclusion, Sports Day was a fantastic event that encouraged participation, teamwork, and school spirit. It was a memorable day for all who took part, and the positive energy will surely linger until the next event.

School Annual Day Program at Sairam Engineering college campus

On September 28, 2024, our school hosted its much-anticipated Annual Day program at Sri Leo Muthu Indoor Stadium, an evening filled with talent, creativity, and celebration of the year's achievements. Students from all grades participated in a variety of performances, showcasing their skills and hard work.

The program stage was decorated by the dignitaries of our school with specially invited guests **Kavignar.Pa.Vijay** and **KPY Bala**. Their thoughtful speech followed by an inspiring dance performance by the school's cultural troupe captivated the parents and audience. This was followed by a series of musical performances, including group songs and instrumental acts, which had the audience clapping and cheering. A special highlight was a drama presentation based on a popular theme, performed by the senior students.

In addition to the performances, awards were given out to students who excelled in academics, sports, and extracurricular activities. The atmosphere was filled with excitement as students proudly received their certificates and trophies.

The evening concluded with a beautiful group dance by the juniors, and a vote of thanks from the organizing committee. The event was a huge success, providing a platform for students to express themselves and celebrate the year's achievements. It was an unforgettable night that brought the entire school community together, leaving everyone looking forward to next year's Annual Day.

DIGNITARIES ON THE DIAS

COLOURFUL CULTURALS

Report on Student Motivational Program

On November 25, 2024, our school organized a motivational program aimed at inspiring students to reach their full potential and overcome challenges. The program titled "BELIEVE IN MIRACLES" was featured by a guest speaker, renowned motivational speaker Dr.K.KarthikVelu. The session began with an engaging introduction from the principal, followed by speech, which focused on themes like self-belief, resilience, and the importance of setting goals. He shared personal stories of his own struggles and successes, emphasizing that setbacks are a part of the journey to success. Dr.Karthik Velu's interactive approach kept the students

engaged, with thought-provoking questions and activities that encouraged everyone to reflect on their strengths and areas for improvement. He also spoke about the significance of time management and maintaining a positive mindset, offering practical tips for academic and personal growth. The program concluded with a Q&A session, where students asked insightful questions about handling pressure, staying motivated, and balancing school life. Overall, the session was a huge success, leaving students feeling energized and motivated to take on new challenges and pursue their dreams with determination.

On 16th November, Our school conducted a colourful and cultural event, an inter school competition - TALENT UTSAV-2024-25 , with an objective to encourage students to showcase their talents, creativity, and skills across various domains like academics, sports, and arts. It provides a platform for healthy competition, promotes teamwork, and enhances social interaction among students from different schools. This event was a half-a-day programme. The programme was well begun by our Senior Principal by lighting the lamp. The programme was specially designed for the students from PreKG to Grade V. Totally 33 schools had participated (8 play schools and 25 other schools). We had around 800 students in our school campus with multiple talent holders. Students participated in 22 various competitions showcasing their innate talents. Such events foster personal growth by boosting confidence, leadership qualities, and a spirit of fair play, while also promoting holistic development and motivating students to excel in diverse areas beyond the classroom. Following it on 25th January 2025 the winners were invited and honoured by Dr.SathyaPriya A, Associate Professor, Sri Sairam Engineering College. The event was a great success and celebrated the laurels of other school children.

KINDERGARTEN GRADUATION DAY

The much-anticipated KINDERGARTEN GRADUATION DAY was held at Sairam Vidyalaya on 25 January, 2025 with great excitement and joy, marking a significant milestone in the educational journey of our youngest learners. The ceremony was filled with heartwarming moments, as children proudly donned their graduation caps and gowns, symbolizing their successful completion of the UKG program. The event began with a welcoming speech by the school principal, who congratulated the children on their accomplishments and thanked the teachers and parents for their unwavering support throughout the year. The principal emphasized the importance of early childhood education in shaping the future of children and expressed pride in their progress.

The graduation was given to 80 students from Bal Vatika 2. The programme started with the blessings of almighty by lighting the lamp by the chief guest Prof. Dr. Sathiya Priya . A, Associate Professor, Sairam Engineering College, followed by our respected Senior Principal Mr. C. Mayilvahanan and Vice Principal Dr. MeenaRajan. The valedictory starts with the welcome dance followed distribution of memento for the graduates. Each graduate received the photo framed certificate from the hands of the Chief Guest. The venue was well suited for the event, creating a comfortable and festival atmosphere. The tiny tots performed action song dance and phonics song dance. It was an eye-catching dance by the kiddos. Finally, the graduates thanked everyone by singing a 'THANK YOU song' which really mesmerized the audience. The program concluded with the Vote of thanks delivered by the Vice Principal followed by the Tamil National Anthem and National Anthem.

SCIENCE EXHIBITION

On 24th January 2025, 7th Inter-School Science Exhibition was conducted in our school, aimed to provide students with a platform to explore, experiment, and present scientific concepts through innovative projects. This exhibition encourages students to think critically and creatively about scientific problems and solutions, helping them develop practical skills and scientific thinking. It creates an environment for students from different schools to come together, share ideas, and collaborate on scientific projects, broadening their perspectives. It allows students to showcase their work, explain their projects, and practice public speaking and presentation skills, boosting their confidence and working together allows students to share diverse ideas, approach problems from different angles, and come up with more creative and effective solutions. Totally 9 schools (including Sairam Vidyalaya) participated.

110 students from outside schools and 125 students from our school. An array of experiments exhibiting students' innovative ideas, creativity with enormous curiosity, were witnessed by the judges and parents. The event was well-organized, with a seamless flow that allowed for easy navigation between exhibits. The enthusiastic participation from all the schools created an atmosphere of healthy competition and mutual respect. The students demonstrated not just knowledge, but also curiosity, enthusiasm, and a real passion for science, which made the event a resounding success.

Receiving and felicitating the Chief Guest by Senior Principal sir and Vice Principal

Display of experiments and observed by judges

Achieving success in the
Inter-School Science Competition.

SAIRAM IN COLLABORATION WITH NICE EDUCATION

The Communicative English Programme, promoted by SAIRAM VIDYALAYA along with NICE EDUCATION (NOBLE INSTITUTE OF COMMUNICATIVE ENGLISH) is designed to improve students' language proficiency, build confidence, and enhance their ability to express their thoughts clearly. By focusing on practical language use, critical thinking, cultural awareness, and the integration of technology, the programme empowers students to communicate fluently, think critically, and engage effectively in both personal and professional settings. This approach promotes lifelong learning, ensuring students are adaptable in an increasingly interconnected world.

The NICE Incipience Event marked the start of a remarkable journey into English communication. This program aims to equip students with the advanced communication skills to thrive in today's interconnected, globalized world.

On November 24, 2025, SAIRAM & NICE Education hosted the NICE Marathon Week for Grade IX students. The event tested students on their grammar fundamentals through an informative competition that also enhanced their general knowledge across various subjects.

The NICE FEST Communicative English Competition, held on January 31, 2025, encouraged participants to enhance their communication skills through a series of competitive activities. The event provided an excellent platform for students from LKG to Grade IX to showcase their linguistic abilities, creativity, and confidence in English.
